**for**  
**Bachelor of Music, Concentration in Jazz Studies**

Reasons for Request

The purpose of the requirement for four hours of Group Piano is to prepare students to pass the Piano Proficiency exam, which is required for the Jazz Studies Concentration. If the student is already sufficiently advanced in piano, he or she may be able to pass the proficiency exam without needing to take some (or perhaps any) of the Group Piano courses. In these cases the student is allowed to substitute music electives. This policy is stated in the degree plan for some of the other concentrations, but was left out of the degree plan for Jazz Studies. The proposed change in language is simply to clarify the requirement and to be consistent with the language of the other Bachelor of Music concentrations.
