Exact Title and Requirements as they should appear in the catalog.

See current catalog for format within the respective college (enter text below or upload a doc/pdf file)

☐ **This Change affects other departmental program/branch campuses**

Reason(s) for Request * (enter text below or upload a doc/pdf file)

The Biological Anthropology and Human Evolutionary Ecology subfields have merged to form the single subfield Evolutionary Anthropology.

Statements to address budgetary and Faculty Load Implications and Long-range planning

* (enter text below or upload a doc/pdf file)

There are no budgetary and faculty load implications. The current faculty will continue to teach the same courses they have been teaching with the same teaching loads, the only change is in formatting of the program.
