Exact Title and Requirements as they should appear in the catalog.
See current catalog for format within the respective college (enter text below or upload a doc/pdf file)
MS in Pharmaceutical Sciences with a concentration in Pharmacoeconomics, Epidemiology, Public Policy and Outcomes Research (PEPPOR) and an emphasis in Clinical Trials Research REGISTRAR'S NOTE: Current title of emphasis is Clinical Research.

☐ **This Change affects other departmental program/branch campuses**

Reason(s) for Request * (enter text below or upload a doc/pdf file)
The research and graduate education focus of the PEPPOR faculty has changed in the recent years and the change in emphasis from Clinical Research to Clinical Trials Research now more closely reflects the makeup and interests of the faculty.

Statements to address budgetary and Faculty Load Implications and Long-range planning * (enter text below or upload a doc/pdf file)
This name change is a result of strategic planning of the PEPPOR faculty and is central to our long-range plans to expand our graduate education. There is no budgetary or faculty load implications with the hiring of two new PEPPOR faculty in the past 2 years.
