Revision

Exact Title and Requirements as they should appear in the catalog.
See current catalog for format within the respective college (enter text below or upload a doc/pdf file)
Students may earn a minor in construction management by completing the following courses with a grade of C- or better: CE 350 or MGMT 326, CE 372 and MGMT 300 or MGMT 362, plus three courses from CE 376, CE 377, CE 473, CE 474, CE 475, or CE 477.

☐ **This Change affects other departmental program/branch campuses**

Reason(s) for Request * (enter text below or upload a doc/pdf file)

This proposed change drops CE 479L from the minor study requirements because the course no longer exists. The minor is improved by adding CE 376 and CE 377 to permit more choices for the students pursuing this minor.

Statements to address budgetary and Faculty Load Implications and Long-range planning

All of the courses currently exist and are taught on a regular basis.
