Proposed change:

MS-CLSC core course requirement is **BIOM 511/BIOC Intensive Intro Biochemistry I: 4 Credits**.

BIOM 511 is becoming a sunset course but the Intensive Intro Biochemistry I is being offered under course numbers BIOC 445/545 which our program accepts since it is the same course just under a different course number.

Change: Remove BIOM 511 from catalog description and add the 445/545 course number into the description.
