Exact Title and Requirements as they should appear in the catalog.

See current catalog for format within the respective college (enter text below or upload a doc/pdf file)

One semester of programming, such as CS 152L or MGMT 330 or equivalent programming experience is a prerequisite for this concentration. The program requirements are 15 credit hours of graduate MIS courses. Students must complete MGMT 634 and 637 and three of the following courses: MGMT 630, 631, 632, 635, 636, 639, or other courses approved by the concentration advisor.

This Change affects other departmental program/branch campuses

Reason(s) for Request * (enter text below or upload a doc/pdf file)

To match the certificate program requirements with that of the management information systems concentration requirements at the MBA level at ASM.

Statements to address budgetary and Faculty Load Implications and Long-range planning * (enter text below or upload a doc/pdf file)

There are no budgetary, faculty load, and long-range planning implications because no additional resources are required and no changes are made to the existing MBA MIS concentration.
