☐ **Does this change affect other departmental program/branch campuses? If yes, indicate below.**

Reason(s) for Request (enter text below or upload a doc/pdf file)

We are requesting an update to the current post-masters certificate program. Currently, a "M.B.A. or other management-related Master's degree from an AACSB-accredited institution" is required. With approval, the new policy would allow admission to students from accredited institutions in fields outside of business. The requested change, justification for the program, impact on long-range planning, budget analysis and faculty workload implications are included in the uploaded document.

Upload a document that includes justification for the program, impact on long-range planning, detailed budget analysis and faculty workload implications. (upload a doc/pdf file)

☐ **Are you proposing a new undergraduate degree or new undergraduate certificate? If yes, upload the following documents.**

Upload a two-page Executive Summary authorized by Associate Provost. (upload a doc/pdf file)
