Reason(s) for Request (enter text below or upload a doc/pdf file)

These proposed changes do not effect other departmental programs or branch campuses. Rationale for Program Change: Several factors have driven the proposed revision of MSN-Education curriculum and delivery. Broadly, these factors include (1) Enrollment and Retention, (2) Course Delivery, and (3) Competition with other single-class-block-delivery formats offered regionally and nationally, and (4) College of Nursing Administration's desire to move more programs into a carousel delivery model to enhance enrollment and reduce attrition. Please see the attached document that further details the rationale for the Nursing Education concentration revision.

Upload a document that includes justification for the program, impact on long-range planning, detailed budget analysis and faculty workload implications. (upload a doc/pdf file)
