Reason(s) for Request (enter text below or upload a doc/pdf file)

The Commission on Accreditation of Athletic Training Education Standards, released January 2018, require all athletic training programs to move to the graduate level by 2023. UNM's current undergraduate athletic training program will need to be replaced with a graduate program. We will teach-out the undergraduate program from 2019-2023. The specific plan, courses to be removed, and final offering of each course is in the attached document. Form D (new graduate program proposal) has also been submitted for review.
