**Does this change affect other departmental program/branch campuses? If yes, indicate below.**

Reason(s) for Request (enter text below or upload a doc/pdf file)

We are decreasing the credit hours required for a second major in Religious Studies from 30 to 24, in order to make it easier for students to add Religious Studies as a second major. We have made minor adjustments to the other major requirements (see attached doc), to accommodate the reduced credit hours for this second major. In addition, we are changing the language of "dual major" previously listed in the catalog to the more accurate language of "second major."

Upload a document that includes justification for the program, impact on long-range planning, detailed budget analysis and faculty workload implications. (upload a doc/pdf file)
