☐ **Does this change affect other departmental program/branch campuses? If yes, indicate below.**

Reason(s) for Request (enter text below or upload a doc/pdf file)

The changes to the major/second major/minor are requested to bring the language requirement in alignment with U.S. peer programs in Latin American Studies. The current language requirement of two languages is a major impediment to attracting students to the major and the completion of the degree; most undergraduate LAS programs only require demonstrated proficiency in one Latin American language. The requested changes should not impact long-range planning, teaching loads, or budgets.

Upload a document that includes justification for the program, impact on long-range planning, detailed budget analysis and faculty workload implications. (upload a doc/pdf file)
