☐ Does this change affect other departmental program/branch campuses? If yes, indicate below.

Reason(s) for Request (enter text below or upload a doc/pdf file)

The proposed changes to the concentration of the Bachelor of Science in Family and Child Studies are being requested to reflect deletion of courses that will no longer be offered by the program. In addition, the changes also reflect changes made to certain course numbers and movement of some courses within blocks in the existing program of studies. Collectively, the changes afford students with more choices and also clarify the requirements to better facilitate students' progression to degree completion. Total credits remains the same and no changes were made to the General Education courses. ***REG NOTE: FOR CLARITY, CONC CODE IS ECDV (NOT ECED Early Childhood Education)***

Upload a document that includes justification for the program, impact on long-range planning, detailed budget analysis and faculty workload implications. (upload a doc/pdf file)
