Associated Forms exist? No

**Proposed effective term**

Semester Summer  Year 2021

**Course Information**

Select Appropriate Program Graduate Degree Program

Name of New or Existing Program NURCP Nursing concentration: Community Health Intervention (HSC) (delete)

Select Category Concentration  Degree Type GR

Select Action Deletion

Exact Title and Requirements as they should appear in the catalog. If there is a change, upload current and proposed requirements.

See current catalog for format within the respective college (upload a doc/pdf file)

**Does this change affect other departmental program/branch campuses? If yes, indicate below.**

Reason(s) for Request (enter text below or upload a doc/pdf file)

The College of Nursing wishes to delete the Community Health Intervention certificate concentration within the Post-Master's Certificate in Nursing (NURP) program. This certificate concentration has not been offered in many years. There are no students enrolled in the concentration, so no teach out plan will be needed.

Upload a document that includes justification for the program, impact on long-range planning, detailed budget analysis and faculty workload implications. (upload a doc/pdf file)

**Are you proposing a new undergraduate degree or new undergraduate certificate? If yes, upload the following documents.**

Upload a two-page Executive Summary authorized by Associate Provost. (upload a doc/pdf file)

Upload memo from Associate Provost authorizing go-ahead to full proposal. (upload a doc/pdf file)
