Main Campus SCH – Down 3.8% (about \$4.4M)

Health Schools SCH – Up 11.7%

Lost 1300 students between Fall 2020 and Spring 2021.

Fall Term Classes and COVID

We have reduced room occupancy

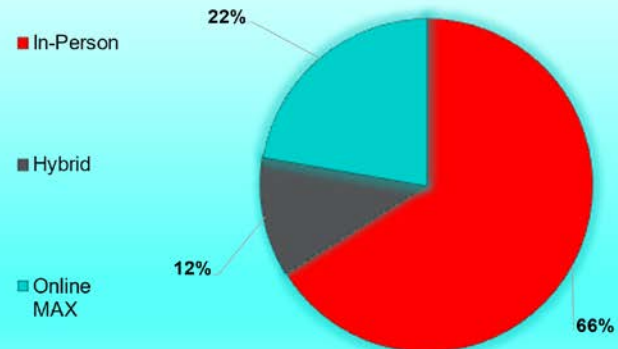

Average room occupancy: 50%

70% of classes are in rooms at less than 60% occupancy

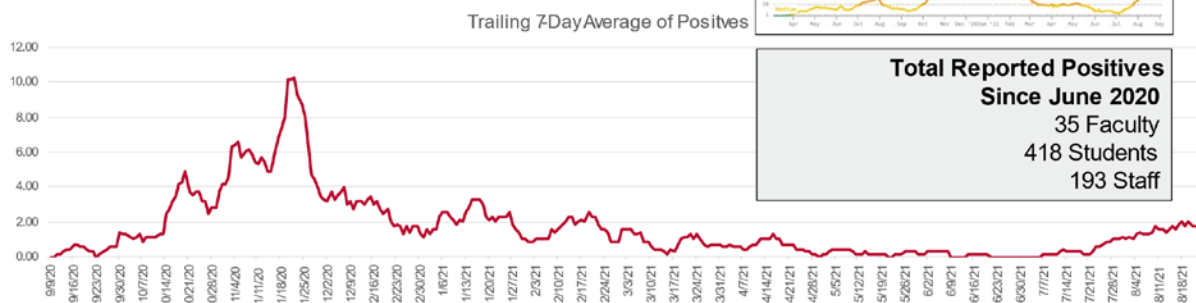

48% of classes are at room occupancy below 45%

Note that we are not changing course modalities at this time

Fall 2021 Course Modalities as of 08/19/2021

COVID positives on campus

Total Reported Positives Since June 2020
35 Faculty
418 Students
193 Staff

Over 65% of main campus students are vaccinated
Over 68% of main/branch campus staff are vaccinated
Over 83% of main/branch campus faculty are vaccinated

Still waiting on updated DOH data

This fall is not last fall

Cases are up right now

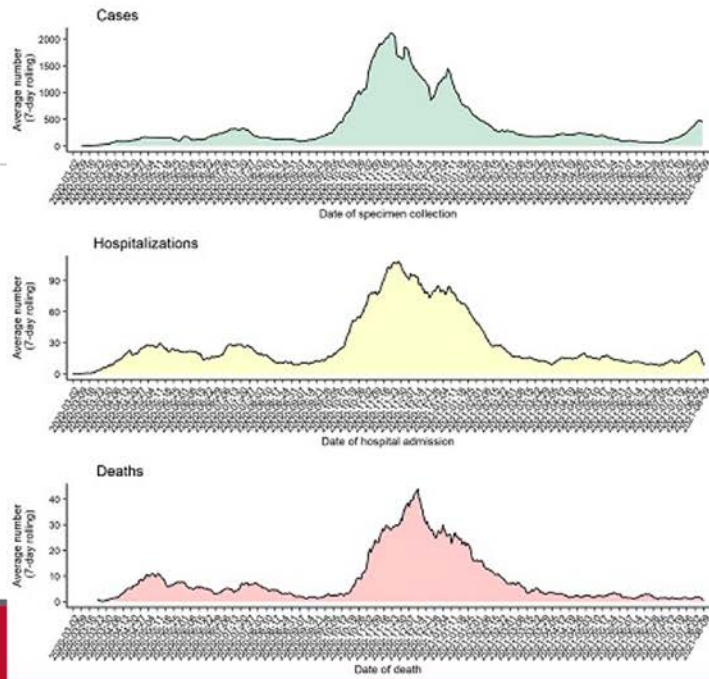

But better therapeutics and impact of vaccines result in fewer deaths than at the start of the pandemic

Vaccinated:

- Main/branch campus students: over 65%
- Main/branch campus staff: over 68%
- Main/branch campus faculty: over 83%

This is much better than the state overall.

It is unlikely we would move to full remote operations again (but it's conceivable)

6. CONSENT AGENDA

The consent agenda was approved.

Summer 2021 Degree Candidates

7. A68: Branch Community Colleges Council Charge

The Branch Community College Council Charge was approved.

8. New Form D-Indigenous Planning Certificate

The new certificate was approved.

9. Faculty Senate President's Report

Faculty Senate President Finnie Coleman reported the following.

- As representatives of the faculty, it is necessary to meet with those faculty. A caucus system might prove productive. Finnie asks Senators to reach out to their constituents and consider caucuses. The caucus groups would need to be discussed and formed. He asks senators to send in suggestions of logical groupings.
- The first Faculty Senate meeting of the fall semester being held in the first week of classes is difficult. Moving the meeting to the second week of classes might make it easier for faculty. The same issue occurs during the Thanksgiving Break week. The Senate meeting is two days before the holiday. In the spring semester, the first meeting is not until the end of January. Perhaps meeting earlier in January is an option. He asks for senators' opinions.
- During the summer, the Operations Committee (Ops) continued to meet and did some of the business of the Faculty Senate. A couple of curricular things had to be taken care of, outside the normal meeting schedule of the Curricula Committee.

- The committee selection process continues. Senators get first choice on committees. Please email President Coleman if there is a committee on which a faculty senator wishes to serve.
- The Shared Governance Retreat was held on August 9. The retreat was a success. The meeting was in-person with the President, the Provost, and the EVP of Health Sciences. Board of Regents President Doug Brown also attended. Leadership from UA-UNM was there. It was good to have people from that unit sitting at the table. There is a lot of work to do. The group will meet again in mid-October. There is a new normal and much to learn.
- A motion was made to continue remote Senate meetings via Zoom for the Fall semester. It was seconded. The motion was approved to extend online meetings for the remainder of the semester. The first meeting of the Spring semester would be in-person.

10. COVID Update

There was not an update. The person providing the report had to leave the meeting early.

11. Public Comment

There was no public comment

12. Meeting adjourned at 4:30 p.m.
