Justification

Program Justification

Per note from Janet Vassilev on Friday 2/10/23 on associated program (Bachelor of Arts in Liberal Arts and Integrative Studies): "FSCC voted to table this form on 2/10/2023. We would like you to remove the language about the minor on this BA form and to update your minor on a second form with the wording about the minor you have used in this form pertaining to the minor."

The minor is simply being updated to reflect our proposal for 2023-24 to merge our existing BISI program into the existing BALA program and by doing so revise the name of it to Bachelor of Arts in Liberal Arts & Integrative Studies (BA-LAIS) fully reflecting our department and the nature of our studies, while also bringing in the two existing concentrations currently housed under BISI and at the same time adding two new concentrations under our future single degree. We also plan to mover our existing BISI minor under the proposed new BA-LAIS degree.
