Justification

Proposed
Program Justification
SPA is proposing to amend its existing Graduate Minor in Public Administration from requiring 24 credit hours to 12 credit hours. This change is driven by an environmental scan conducted by SPA to determine why so few graduate students from outside of SPA have obtained this minor over the past decade. The proposed updated requirement of 12 hours meets the minimum requirements established by the Office of Graduate Studies (9 credit hours) but is better aligned with the expectations and requirements of other graduate programs at UNM.
