**Does this change affect other departmental program/branch campuses? If yes, indicate below.**

Reason(s) for Request (enter text below or upload a doc/pdf file)

The reason for requesting a revision in this Mechanical Engineering concentration is that the old/existing concentration has outdated courses that are no longer taught. So no students can satisfy such concentration. This new/revamped concentration will help students in their careers by making them more marketable as they specialize in this technology area. \*\*\*REG NOTE: REQUIREMENTS REVISION AND NAME CHANGE TO "Microsystems Engineering"\*\*\*
